## STUDENT VISA SERVICE

UK

1. UK has gained recognition as a provider of world-class education. It provides programs that are internationally recognised.
2. The cost of studying in UK is cheapest. It offers fantastic value for money.
3. UK Degrees can take only three years and post graduate Master's courses only one year - compared with four years and two years respectively, in most other countries.
4. UK degrees are shorter because they are more intensive, and therefore more efficient in terms of time and money.

Canada

1. Canada boasts a wide range of quality educational institutions for both degrees and diplomas in technical and professional disciplines. Its education is globally admired.
2. Possibility for post study work permits and stay back after studies. Easy PR compared to other countries
3. Canada is a peaceful, political stable and safe country.
4. It has least level of unemployment.
5. Compared to other countries, medical insurance is inexpensive in Canada.
